## **Sen. Laura Toy announces flu shots available at Western Wayne County Senior Celebration Day**

**LANSING** – State Sen. Laura M. Toy, 6<sup>th</sup> District, announced today that flu shots will be available at the 12<sup>th</sup> Annual Western Wayne County Senior Celebration Day on Friday, Oct. 13 at Burton Manor in Livonia.

“Flu shots are an effective way to help prevent serious illness and complications, particularly in our seniors,” Sen. Toy said. “We are happy to have flu shots available at this event to make it easier for those at risk to get vaccinated early.”

Tickets for Senior Celebration are \$5 and can be purchased at the Garden City Maplewood Senior Center, the Livonia Civic Park Senior Center, the Redford Senior Center, the Westland Friendship Center and the Dyer Senior Center in Westland.

Those who are interested in more information about Senior Celebration Day can contact Sen. Toy’s office at (517) 373-1707.

To learn more about the risks of flu and the benefits of a flu shot, watch later this month for Sen. Toy’s cable program featuring Dr. Eden Wells of the Michigan Department of Community Health. The program airs on local government and community access channels throughout the 6<sup>th</sup> District.
